

**ANNOUNCEMENT OF  
PROFESSIONAL VACANCY**

UBMD Pediatrics  
1001 Main Street, 5<sup>th</sup> Floor  
Buffalo, New York 14203

Applications are invited for consideration for the following position:

Campus: UBMD Pediatrics                      Budget Title: RN Gastroenterology  
Department: Pediatrics                              Descriptive: As Above

Professional Rank  
and Salary Range: Salary Commensurate  
with Experience                      Date to be Filled: ASAP

---

**Brief Description of Duties:** The Registered Nurse (RN) in this dynamic multidisciplinary clinic collaborates daily with physicians, advanced practice providers, RNs and other allied health care staff members to provide care through a team approach. The GI Subspecialty Outpatient Clinics care for patients with a wide variety of disorders that affect the liver, pancreas, esophagus, colon, rectum, and digestive system, which may include: chronic liver disease, pancreatitis, pancreatic cancer, gastroesophageal reflux disease, Barrett's esophagus, eosinophilic esophagitis, achalasia, esophageal cancer, colon cancer, colon polyps, inflammatory bowel disease, crohn's disease, ulcerative colitis, diarrhea, constipation, celiac disease, pelvic floor dysfunction, irritable bowel syndrome, and gastroparesis.

---

**Qualifications:** Minimum one to three years (1-3) of experience in Gastroenterology nursing. Must be reliable and dependable, have great communication skills and be able to work in tandem with physicians, fellows-in-training, and nursing staff. Candidates with experience working in outpatient GI services are highly encouraged to apply.

---

**Education:** Graduate of an accredited baccalaureate or associate nursing program. Current unencumbered NYS Registered Nurse (RN) license.

---

**Special Notes:**

**POSTING NO: 08-20**

**POSTING PERIOD: 08/07/20-Until Filled**

Persons interested in the above position should submit a resume along with a letter of application to:
