## ABOUT US

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians' Group, the largest medical group in Western New York, and is the medical practice for the Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo.

Our physicians and advanced practitioners staff the John R. Oishei Children's Hospital (OCH) in areas including the Emergency Department, NICU, PICU, and hospitalist service as well as the OCH primary care pediatric centers.

UBMD Pediatrics is the largest provider of pediatric subspecialists in Western New York.

## MISSION & VISION

### OUR MISSION:

To be the premier care provider for infants, children, adolescents, and young adults in Western New York and beyond by:

### OUR VISION:

Though our outstanding work in delivery of care, teaching, innovation, and research, we shall be recognized as catalysts of well-being infants, children, adolescents, and young adults advancing their care to new levels of excellence.
